All you have to do to learn how to do this is go to Skyward's SkyDoc online documentation system.

The screen shots on page 1 illustrate various ways to get there from PaC and Web – anywhere you see those buttons or links.

The screen shot on page 2 illustrates the four step process to get to the tutorials explaining everything there is to know about this.

As of version 04.09.06.01.01 this capability only appears to exist in PaC.
